

Small Business Success Collective

Grow together, plan strategically, succeed collaboratively

In the competitive world of small businesses and entrepreneurs, staying ahead requires more than just offering exceptional products or services. It involves strategic planning, continuous learning, and building a supportive network. That's why we're thrilled to present the Small Business Success Collective, a group coaching program tailored to help you expand your business and reach your long-term goals.

Key Benefits

Collaborative Learning Environment

- **Think Tank for Your Business:** Bounce ideas off other like-minded entrepreneurs and learn from their experiences.
- **Peer Support:** Build a network of supportive business owners who understand the unique challenges of your industry.

Strategic Planning and Guidance

- **Monthly Group Coaching Calls:** Dive deep into business planning, marketing strategies, sales tactics, and best practices.
- **Weekly Office Hours with Robyn Goldenberg:** Receive personalized advice and answers to your pressing questions.

Tailored Strategic Plans

- **Supercharged 5-Year Strategic Plan:** Develop a comprehensive plan tailored to your business's long-term goals.
- **1-Year Action Plan:** Translate your long-term goals into actionable steps to achieve within a year.
- **Individual Sales and Marketing Plans:** Create specific plans to boost your sales and marketing efforts.
- **Business Financial Education:** Gain a solid understanding of financial management to ensure your business's financial health.

Comprehensive Resources and Community

- **Online Community via Kajabi:** Stay connected, share resources, and get support anytime.
- **Exclusive Access to Resources:** Utilize a library of tools and guides to support your business growth.

Immersive Bi-Annual Retreats

- **Networking Opportunities:** Connect with other group members and small business owners from different industries.
- **Recharge and Refocus:** Gain new insights and inspiration to drive your business forward.

Why Choose the Small Business Success Collective?

Cost-Effective Expertise

By joining the Small Business Success Collective, you're not just hiring a single coach – you're investing in a network of expertise. This collaborative model provides a wealth of knowledge at a fraction of the cost.

Community and Support

Running a small business can be isolating, but it doesn't have to be. Our program fosters a sense of community, offering you a supportive environment to share challenges, successes, and strategies.

Proven Track Record

Robyn Goldenberg, an experienced business coach, has a proven track record of helping small businesses scale and succeed. With her guidance, you'll be equipped with the tools and strategies necessary to take your business to the next level.

About Strategy Leaders: Proven Success and Longevity

Strategy Leaders is a 30-year-old consulting business with a proven track record of guiding and building small to mid-size businesses to double profit and triple revenue in repetitive cycles. While most small businesses fail – 3 out of 4 in every 10-year cycle – we boast an impressive record of 3 out of 4 succeeding. Our success and survival rate is over 94% across our three decades in business.

Why Choose Us?

Our methods are proven because they're rooted in real results. By leveraging our extensive experience and successful track record, we can provide the strategic guidance and support necessary to elevate your business.

Take the Next Step

Are you ready to elevate your limo business? Join the Small Business Success Collective and transform your business through strategic planning, collaborative learning, and a supportive network.
